Subject: RE: cable service

Type: Attachments

Pat,

Following is the results of our Homes Per Mile walk off of the addresses you requested. Look at the row titled "Standard Homes Per Mile-All" for each street. As you can see, none meet the mandatory 25 HPM as outlined in the franchise agreement. Pursuant to the agreement, Time Warner Cable unfortunately will not build these areas.

I hope this answers your inquiry.

Hi doug,

Here are the addresses of people who are interested in cable in Colden NY, if you look at a map of roads in Colden that have cable already ,you will find that a few of these addresses are just down the road that has cable already. This would be good for the citizen of colden and good PR for you ..these people are choosing cable over your competition
