

Colden Recreation

Spring Soccer program

We are hoping to get a spring soccer program going this year. We sure did miss seeing all the activity at the park in 2020. Soccer will have a different look this year, as we follow guidelines to reduce the risk of spreading Covid. We plan to follow some of the New York State Public High School Athletic Association (NYSPHSAA) Covid guidelines for participation in sport, adhering to social distancing, and mask wearing. These guidelines helped NYS fall sports complete their schedule, including playoffs, without any notable spreading events.

These guidelines include, but are not limited to: All participants, coaches, spectators, etc. maintaining 6' social distancing, and mask wearing when possible, and use of hand sanitizer. Athletes will wear a mask when not engaged in play, on the bench, and during coach instruction. Athletes are permitted to lower mask during play, if they feel the mask is obstructing their breathing. Coaches and spectators should keep their mask on while at the park. Spectators, within a family unit, should maintain a 6' distant from other spectators.

As with any sport, or social gathering, there is an inherent risk of injury, or chance of infection. If we all work together, to reduce these risks, we should be able to have a happy and healthy soccer season.

Soccer may have a different look this year, based on number of participants. We could change the usual format of 10-11 players on the field, to a smaller number. We will make that decision at our coach meeting.

As a precaution, we will not have a registration "day" this year, to reduce the risk of contact. All registrations can be mailed in, or dropped off to the Colden Town Hall. Please do so asap. Colden also never denies a child to play based on lack of funds. If this is a concern, please contact me to make arrangements.

If you are new to our soccer program, or just have questions, please call the Colden Town Hall at 941-5012, and ask for Recreation. You may also ask questions on our Facebook page, "Colden Recreation".

Please sign this letter, as well as the registration form attached, to show that you have read this letter, and understand the guidelines for participation.
