### **Environmental Board 9/12/23 7PM Meeting Agenda:**

1. Call to Order and Roll Call by Secretary
  2. Chairman Craig Bouquin Introductory Comments
  3. Approval of prior Environmental Board Minutes
  4. Processing a Long Form SEQR/EAF: Procedural Processing of the mandated Long Form SEQR EAF Part 1 for the proposed Colden Agriculture and Farmland Protection Plan. If desired the Draft Dated July 2023 is accessible via the Dropbox link below (file too large for email or hardcopy attachments to this invitation so please fetch if desired; EB members have previously been supplied with the Town's AFPP SEQR EAF Part 1, Part 2, and Part 3, and reference prose materials). The Environmental Board action limited to processing of the Town's Long Form Environmental Assessment Form Part 1, advisory execution of Part 2 (Impact Assessment), and advisory recommendation for Part 3 (Determination of Significance); subsequently the Lead Agency will execute Part 3 for the Town of Colden.
  5. Here is a link to the Dropbox file that contains the new compiled Final Draft AFPP report as approved by the AFPB of the County of Erie, reviewed by the New York State Department of Ag & Markets, and released by the Colden Planning Board for SEQR processing. *While this document is related to the processing of the SEQR it is not necessarily mandatory that it be reviewed; the Town's SEQR responses are limited to only a few sections of the Part 1 Long Form, as indicated in the materials already supplied to the EB. None the less we encourage review of the AFPP as desired.*
