PUBLIC HEARING
TO ESTABLISH A MORATORIUM ON THE USE OF LAND FOR COMMERCIAL
SOLAR POWER PROJECTS IN THE TOWN OF COLDEN

PUBLIC HEARING OPENED AT 7:05 PM.

Supervisor DePasquale read the following:

Section 2. Purpose

The Town Board of the Town of Colden has under review regulation in regard to
commercial solar power projects within the Town of Colden. At the present, there are no Town
restrictions or regulations in regard to the use of land within the Town for commercial solar
power projects. The Town Board finds that the commercial use of solar power projects requires a
moratorium intended to allow for regulations and/or appropriate amendments to existing laws or

regulations to properly address community impacts, concerns or issues in a manner which is meaningful and consistent with the Town’s comprehensive plan.

Section 3. Authority

This Local Law is enacted pursuant to the provisions of Article 16 of the New York Town Law and Section 10 pf the New York Municipal Home Rule Law.

Section 4. Moratorium

The Town Board of the Town of Colden hereby declares that no new applications shall be issued and no new permits or approvals shall be granted by any officer, department, board or agency of the Town of Colden with respect to the siting, location or establishment of commercial solar power projects within the Town of Colden for a period of six months from the effective date of this Local Law, unless terminated by other Local Law, duly adopted.

No Public Comment

Approve the Six Month Extension on Commercial Solar Power Projects

Motion made by Councilman Arcara and seconded by Councilman Zurbrick and unanimously approved to extend the moratorium on the use of land for commercial solar power projects in the Town of Colden for six months.
