1. **Call to Order and Roll Call by Secretary, followed by Chairman Introductory Comments, if any.**

2. **Approval of prior Planning Board Minutes (February 2025 Regular Meeting)**

3. *Trying again! Bobby's been busy!* **Acknowledgement of Bobby Walker's contributions to the Town as a Planning Board member; Bobby's 7-year term ended in 2024. Schedule conflicts make him unable to renew his position. We thank him for 8-years of dedicated service and contributions to the Planning Board's actions. We wish him well, and hope that in the future he might become a PB member again!**

4. **Continuation: Dakota's "Final" Draft of our periodic review of Colden's Fines and Fees Schedule, as posted on the Town Web site, used for collection of fees. The Planning Board will add new fees related to Dog licenses and penalties as this has now been "assigned" to us. After review of our detailed line-item debates from last month, we will review Dakota's FINAL suggested updated Colden fees for each line item. We will review those recommendations and hopefully deliberate them and come to our final recommendation for the Town Board on this matter.**

5. **Continuation: A short review of the "final" draft of our proposed new code chapter for Storage Containers in Colden. Short term & long-term storage purposes are defined. If the PB comes to consensus after deliberation we will make our final recommendation to the Town Board on this.**

6. **Continuation: A short review of "final" draft for Short-Term Rental (STR) Properties (a.k.a. AirBnB type operations). Last month we agreed that a couple of small updates were needed, including new aspects due to NYS STR Legislation will be considered. If a consensus is reached, we will make our final recommendation to the Town Board on this matter.**

7. **General updates on Colden's OPRHP Kummer Park Grant, Grant Submissions, etc.**
