

Dear Town of Colden Resident:

WM is always working for a sustainable tomorrow and is proud to provide new every-other-week recycling collection services for each Colden residence. Recycling is good for your community, and we aim to set your household up for recycling success right from the start. Our Recycle Right resources will help you recycle the right materials, minimize contamination, and help ensure your recyclables go on to enjoy a second life.

Proper Cart Placement for automated collection

Starting the week of March 31, 2025, WM will deliver new recycling carts. Use only the new 96-gallon cart for recycling. Please place acceptable recyclables directly into the cart- don't bag recyclables and no loose plastic bags. Make sure all materials fit inside the cart with lid firmly closed. Start using your new recycling cart immediately.

Cart Placement

Place your carts at least 3 feet apart and 3 feet away from any obstacles to allow the automatic arm to lift and empty the cart. Place the wheels of the cart toward your house.

Recycling Cart - Please break down cardboard and place it inside the recycling cart. **No material outside the cart will be collected.**

Trash Cart - bag trash and tie bag before placing it inside your cart. **No material outside the cart will be collected.**

Have your carts at the curb the night before or **no later than 6:00 a.m.** on your collection day.

Great things happen when residents Recycle Right®. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved.

- Place recyclable material loose in to the recycle cart. Do not bag recyclables. No plastic bags, instead reuse them or return them to local retailers.
- Containers should be empty and free from food and liquid.

Always Recycle

Do Not Include In Your Recycling Container
